

Quality Policy Statement

Stonewest Ltd's aim is to become the Specialist Façade Renovation/New Build Contractor of first choice in the UK. We aim to achieve this by providing the highest quality service that fulfils and exceed our Client's expectations.

To ensure we meet this corporate objective we will:

- Create a culture of quality in order that we deliver a product to be proud of
- Continuously improve quality by establishing and monitoring our performance against measurable objectives
- Achieve and maintain certification to ISO 9001:2008 with an accredited organisation
- Ensure that we continue to seek excellence when outsourcing and/or buying in sub-contractors and materials and to ensure those employed fully understand and embody the quality culture being practised at Stonewest Ltd
- Continue to train our staff in order that they may realise their full potential and in turn assist the Company in achieving that set out in this policy, delivering services of the very highest standard
- To maintain the highest possible standard in respect of Health and Safety always looking to achieve the safest working environment possible
- Actively seek feedback from our Customers and ensure we all continually improve and learn from this process

As Managing Director it is my responsibility to ensure that all aspects of the Company's quality culture and management systems are communicated, understood and implemented at all levels in the Organisation.

This Policy will be reviewed every 12 months, or before if required by events, for continued suitability and effectiveness.
