

CASE STUDY – *Tower Hill Memorial*

Client:

Commonwealth War Graves
Commission

Principal Contractor:

Stonewest Ltd

Value: £85k

Date: 2010-2011

Description

The Tower Hill Memorial commemorates men and women of the Merchant Navy and Fishing Fleets who died in both World Wars and who have no known grave.

The works involved:

- Cleaning of stonework to remove biological growth and pollution
- Stonework repair and re-pointing.
- Cleaning, re-patination and waxing of the WWII bronze panels in the sunken garden.

Other projects completed for this client include:

- Liverpool Naval Memorial
- Cannock Chase War Memorial
- Canadian War Memorial
- Chatham War Memorial Stone & Bronzework Conservation
- Plymouth & Chatham Memorial Condition Surveys
